I, _____, am a resident of the State of _____, and was once a member of
Thousand Adventures campground system. The following statements that I make are true and accurate and
based on my own personal and direct knowledge and observations:

- 1. As a member of Thousand Adventures ("TAI"), I paid maintenance dues to TAI.
2. After TAI went bankrupt and no longer operated campgrounds, I was contacted by a company representing
Travel America who told me that I had to continue to pay dues to them.
3. I have never purchased a membership from Travel America and I don't believe I owe them any dues.
4. I am not aware of any legal relationship between Travel America and TAI which would entitle Travel
America to demand dues from me.
5. Travel America has represented that they "own my membership" now and that I have to pay them. They
have not provided me with any documentation to prove they own my membership.
6. I am not interested in having anything to do with Travel America and I have told them this. I do not use
their campgrounds and never have. Nevertheless, Travel America continues to send me dues statements,
has called and harassed me on the telephone, and has threatened to sue me if I don't pay.
7. Travel America has threatened to ruin my credit rating if I don't pay them. [] YES [] NO ____ (Initial)
8. Out of fear and due to Travel America's intimidation, I have reluctantly sent payments to them totalling
\$_____. I believe Travel America obtained these payments by making false statements to me
and by threatening me. [] YES [] NO ____ (Initial)
9. I feel that Travel America has lied to me about dues payments and told me I had to pay when they knew
they had no right to insist on payment.
10. I want Travel America to leave me alone.
